To

The Secretary to the Dewan of
Mysore

Sir

With reference to para 4 of the Dewans Proceedings No 1078-9/5 dated 6th June directing in compliance with the instructions of the Resident, that official correspondence between the Officers of the Mysore Government and of the Civil and Military Station should be carried on through the Resident on the one side and the Dewan on the other I have the honor to state that the Comptroller of Mysore also acts as Comptroller of the Civil and Military Station, and in that capacity has frequently to correspond with the Officers of the Civil and Military Station in matters of ordinary official routine, and a strict adherence to the course of correspondence prescribed would be productive of delay and inconvenience

I would suggest that the circumstances may be represented to the Resident with a view to a modification of the orders, so far as they relate to the Comptroller.

The same difficulty does occur in the Office of Inspector-General

Registration Surgeon as he has been
serving by the Resident to the Sanitary
Board for the Civil and Military Station

I have the honor to be
Sir
Your Most obedient Servant

[illegible]
Commissioner of
Mysore
